Examination Skills Preparation

for the Professional Practice Exam (PPE), as administered
by Professional Engineers Ontario (PEO)

Are you...

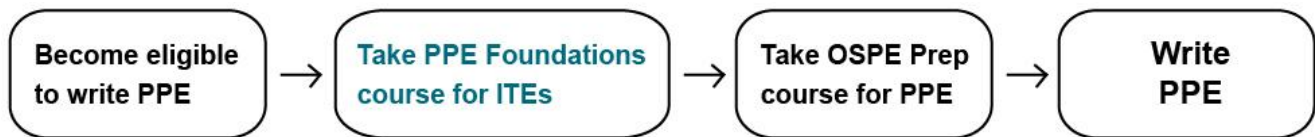

...an Internationally Trained Engineer (ITE)?

...preparing to write the Professional Practice Exam (PPE) as administered by PEO?

Course Overview:

This course is designed to be an introduction to the PPE specifically for ITEs and is meant to be taken before the OSPE Preparatory course for the PPE. Tailored to the specific needs of ITEs who lack the confidence and experience to be successful at writing essay based examinations, this course includes topics in engineering, legal and ethical practices in the Ontario workplace, as well as techniques and strategies to successfully write the PPE.

How this course can help in preparation for licensure:

Course Fee: \$199.00 + HST

(Financial assistance may be available)

Course fee includes all required textbooks, course manual and one year OSPE membership.
